About me

I am a 22 year old student in the second year of a Master's degree in Cyberdefense and Information security. I would like to become a DevOps engineer. I am autonomous, organized, and know how to make decisions. Curious by nature, I like to learning new knowledge.

Experience

Sopra Banking Software

Saint-Herblain, France

DEVOPS INTERN

March 2022 - Now

- Development and implementation of a cloud-native software in the banking sector with a microservice architecture (Java, Angular, Kubernetes) in collaboration with the international (India)
